INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicant provides with regard to the above-referenced patent application one copy of each of the two documents listed on the attached Form PTO-1449, which may be material to the examination of this application, and in respect of which there may be a duty of disclosure under 37 C.F.R. §1.56.

While these documents may be material pursuant to 37 C.F.R. §1.56, their disclosure is not intended to constitute an admission that any such document is prior art in regard to this invention. The filing of this Statement should not be construed to mean that a search has been conducted or that no other material documents or information exists. Please do not hesitate to contact the undersigned should any questions arise regarding this Statement.

Respectfully submitted,
